Site Contents	Peoria Unified provides online access to Microsoft Office 365. Students have the ability to use email, Word, Excel, PowerPoint and OneNote anywhere internet is available. Office 365 is also the place students can save and store their school files. Students do not have to have the Microsoft Office Suite on their personal device or computer to access Office 365. However, Office 365 allows each student to download a FREE copy of Microsoft Office on up to 5 personal devices. Click here to get started.	Educational Resources
