

April 27th – May 1st 2nd Grade

Language Arts (Reading/Writing) kgordon@pusd11.net

Math & Science/Social Studies cpiano@pusd11.net

Below are learning opportunities and suggestions for the week. Work does not need to be reported to the teachers. Teachers can access your child's on-line programs. We understand that some of our students do not have, or have limited, on-line access so we have provided some suggestions that you can do off-line. Please contact us through the emails above with any questions and we will get back to you as soon as possible.

Sumdog.com parties on Tuesday and Thursday 10:00-10:45. School code heritage7 Math both times this week!!

Learning Targets for the week

Language Arts: I can find the meaning of unfamiliar words using resources, glossary, dictionary, web search.

Math: Add/Subtract to 1,000 Review: I can use different strategies to solve addition and subtraction problems to 1,000.

Science/Social Studies: The Earth Around Me: I can tell you how humans impact our earth!

Monday, April 27th

Language Arts –

- 15-20 minutes iReady Reading (*iReady is personalized for your student's needs*)
- Find the definition for the following words (you can look them up at <http://learnersdictionary.com>)
 - habitat
 - camouflage
 - conserve

Math –

- 15-20 minutes iReady Math (*iReady is personalized for your student's needs*)
- Add 3-digit numbers! Answer the following addition review problems:
 $500+300=$ _____ $327+10=$ _____ $275+116=$ _____ $434+247=$ _____ $367+226=$ _____ $395+154=$ _____ $777+133=$ _____ $487+247=$ _____ $101+129=$ _____ $364+458=$ _____

I want more math this week or I don't have internet! If you asked for the Ready Math books & have them, the following pages go along with our add/subtract unit and could be completed: Practice & Problem Solving Book pages 308-347.

Science/Social Studies –

Watch a video about earth – Use Safari Montage at home, search & watch video *Magic School Bus: In the Rainforest (26min)*

**Safari Montage can be accessed through your child's educational resource page. Same place they get iReady.

I don't have internet: Have your child tell you about their favorite Rainforest animals – jaguar, sloth, gorilla, tree frog, etc.

Tuesday, April 28th

Language Arts –

- 15-20 minutes iReady Reading (*iReady is personalized for your student's needs*)
- Watch a video on Desert Habitats at <https://jr.brainpop.com/science/habitats/desert/>
login Heritage2nd password gordonb13

Math –

- 10:00-10:45 Sumdog.com Math Party!**
Login to Sumdog.com today from 10:00-10:45 to play math games with your friends and teachers. Be sure to pick "class" when playing. Can you find & play against your teachers - Ms. Piano likes the garden! Mrs. Gordon likes to plant!
- Let's do some addition story problems! *If you figured them out, Email Ms. Piano your answers!*
 - 395 ants crawled around the ant hill. 111 more ants came over to the ant hill. How many ants are there now?
 - Sophia bakes 154 cookies. Emma bakes 146 cookies. How many cookies did Sophia & Emma bake?
 - There are 153 yellow houses & 168 blue houses. How many yellow & blue houses are there in all?
 - London counted 185 flowers on her walk. Her dad counted 139 flowers. How many flowers did they count all together?
 - There are 189 animals at one zoo. There are 158 animals at another zoo. Many animals are there at both zoos?
Brain Builder: A store has three bins of potatoes with 183, 127, & 117 potatoes in separate bins. What two bins have the sum of 300 potatoes?

Science/Social Studies –

Listen to Nature Sounds! Play some relaxing nature sound music. Lie on your back, close your eyes, and listen to the sounds. Stop music and talk about what you heard. Take a piece of paper and draw a picture while listening to the music again.

Wednesday, April 29th

Language Arts –

- 15-20 minutes iReady Reading (*iReady is personalized for your student's needs*)
- Find the definition for the following words (you can look them up at <http://learnersdictionary.com>)
 - harmful (hint... do you see a suffix at the end, what does that suffix mean?)
 - contaminated
 - extinct

Math –

- 15-20 minutes iReady Math (*iReady is personalized for your student's needs*)
- Mentally Subtract 10 or 100! Answer the following subtraction review problems:
 $491-100=$ _____ $942-10=$ _____ $672-100=$ _____ $770-10=$ _____ $164-10=$ _____
 $329-100=$ _____ $738-$ ____= 638 $434-$ ____= 424 $371-$ ____= 271 _____ $-10=$ 745
299 people came to the school play. 10 people had to leave early. How many people were still at the play?
Mariah counts 543 birds by the pond. Some birds fly away. Now Mariah counts 243. How many birds flew away?

Science/Social Studies –

Let's learn why being gross helps a plant survive! Go to <https://sn2.scholastic.com/> On the top Log in, pick "I am a student" and our classroom password is hopefrog1935 Go to the April 2020 issues and pick *This Plant Stinks*. Listen and read the scholastic news, take a dance break, complete vocabulary, play the game and answer the questions on the last page.

I don't have internet: Talk about - What does a plant need to survive? What do humans need to survive? What do animals need to survive?

Thursday, April 30th

Language Arts –

- 10:00-10:45 Sumdog.com Math Party!**
Login to Sumdog.com today from 10:00-10:45 to play Math with your friends and teachers. Be sure to pick "class" when playing. Can you find & play against your teachers - Ms. Piano likes the garden! Mrs. Gordon likes to plant!
- Find a word that you don't know and look it up! (you can look it up at <http://learnersdictionary.com>)

Math –

- 15-20 minutes iReady Math (*iReady is personalized for your student's needs*)
- Regroup tens to subtract! Answer the following subtraction review problems:
 $783-439=$ _____ $382-128=$ _____ $575-66=$ _____ $863-218=$ _____ $931-6=$ _____
 $423-119=$ _____ $780-436=$ _____ $153-44=$ _____ $734-228=$ _____ $153-44=$ _____

Science/Social Studies –

That came from a plant! Look around your house and make a list of at least 10 things that came from a plant. For example, the paper you are making your list on came from a tree! **If you can, email Ms. Piano your list!**

Friday, May 1st

Language Arts –

- 15-20 minutes iReady or Sumdog Reading (*iReady & Sumdog are personalized for your student's needs*)
- Make a flipgrid at flipgrid.com/gordonb13 and add it to the Unfamiliar Vocabulary topic with the word you didn't know from Thursday. Write it down and share with the other 2nd graders on flipgrid.com/gordonb13 what it means. Remember to click microsoft login and use your child's login@student.pusd11.net
