Learning to Dance

8 Myra dreamed of being a famous dancer. She
 14 always watched dancers on television, and
 23 wanted to be just like them. Myra had taken
 32 ballet and jazz for many years, but this year
 41 she wanted to attempt to learn how to tap
 49 dance as well. She talked with her dance
 56 instructor about signing up for tap dancing
 63 lessons. Her instructor was thrilled that Myra
 72 was so dedicated to dance, and wanted to learn
 79 a new style. Myra started lessons immediately,
 88 and instantly fell in love with tap dancing. She
 95 learned many new routines, and decided that
 103 she was ready to participate in the dance
 110 recital. Myra chose the perfect costume for
 119 her tap dancing performance. It was a red and
 126 black outfit with sequins covering the front.
 135 Myra knew that it would sparkle in the lights
 145 shining down on her while she was up on the
 154 stage. She was so excited to perform her tap
 161 routine for everyone. She had been so
 168 dedicated during practices, and was excelling in
 177 this new style of dance. When it was Myra's
 185 turn, she confidently walked out on the stage,
 191 and put on a magnificent performance.
 198 Everyone gave her a standing ovation. Myra's
 206 dance instructor was so proud of her. She
 213 knew that Myra had tremendous potential to
 219 become a well known dancer someday!
