

1. Go to the district website: <https://www.peoriaunified.org/>

2. Hover the mouse over "Students" near the top

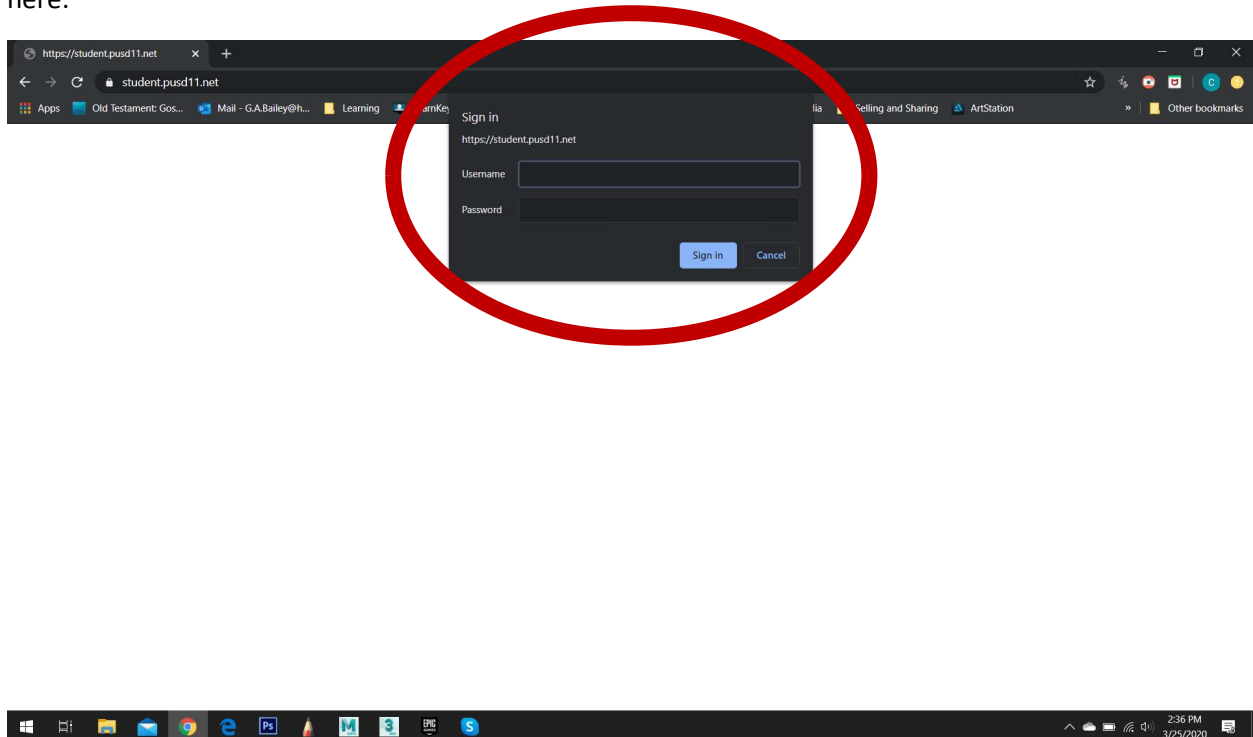

3. Hover over “Student Portal” near the bottom of the list and click on it

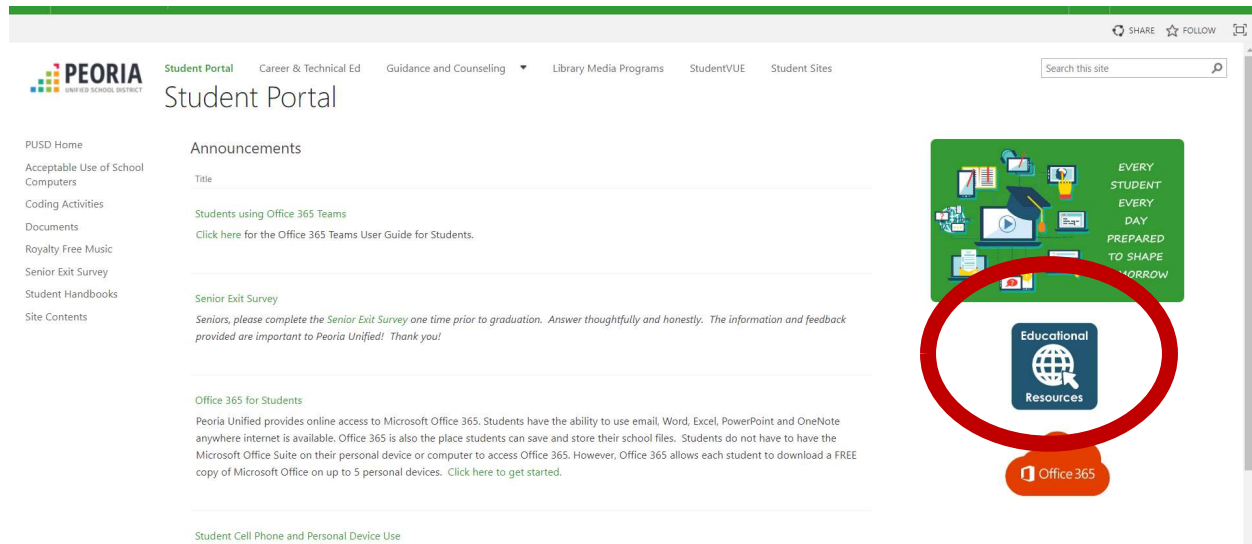

4. When you click that, a dialog box will appear to type in your username and password. Then click “Sign In”

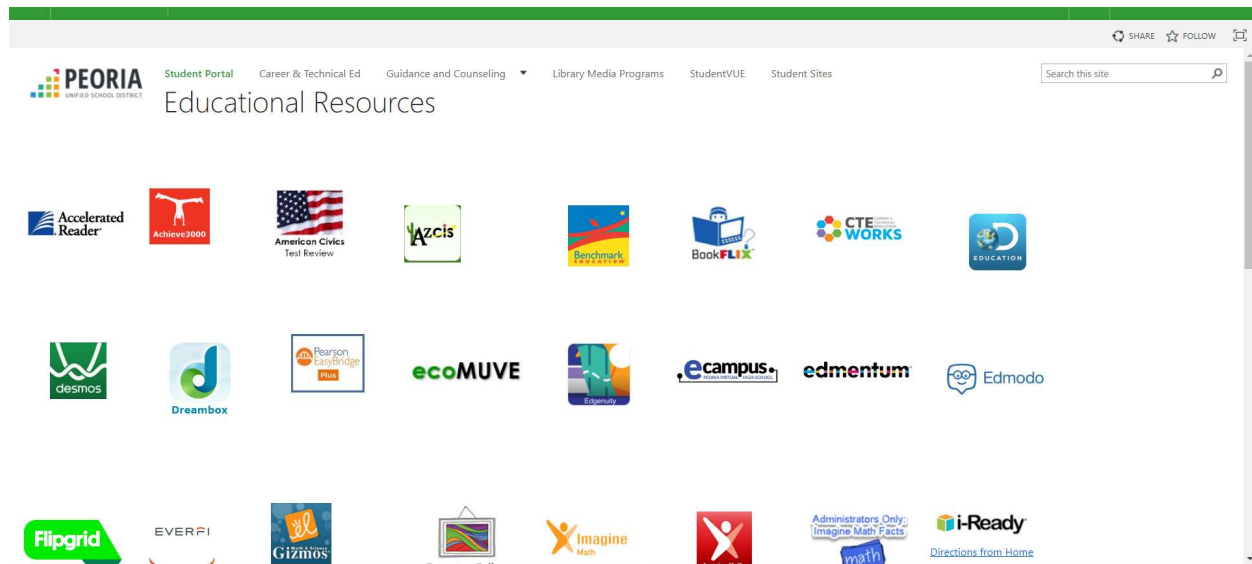

***if you have more than one PUSD student, do not have the computer ‘remember’ the information here.

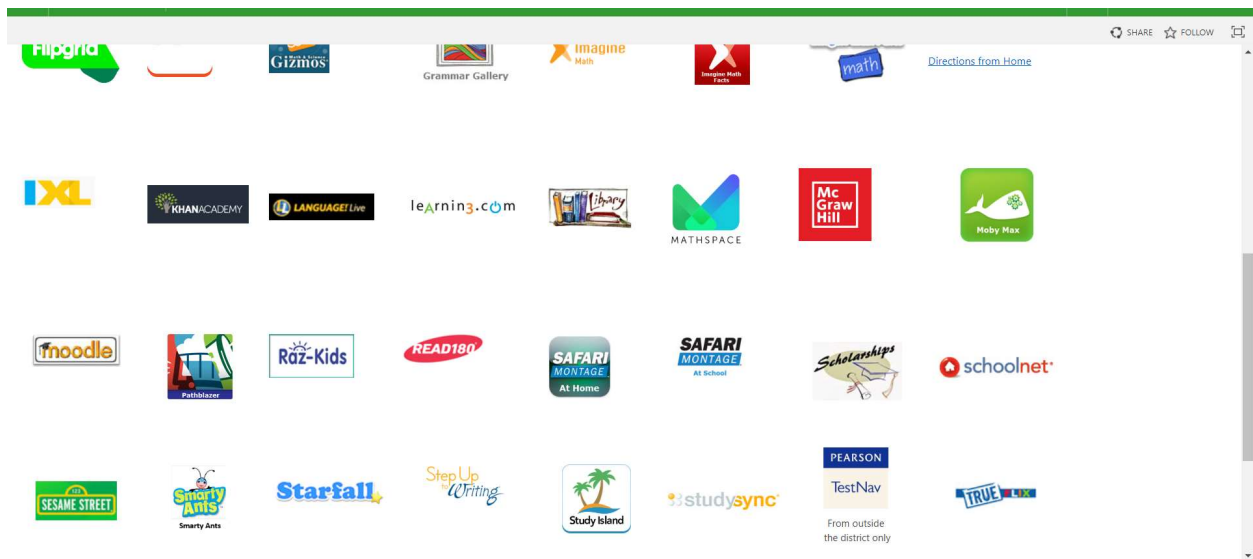

5. The Student Portal looks like this. On the right-hand side, click the blue square that says “Educational Resources”

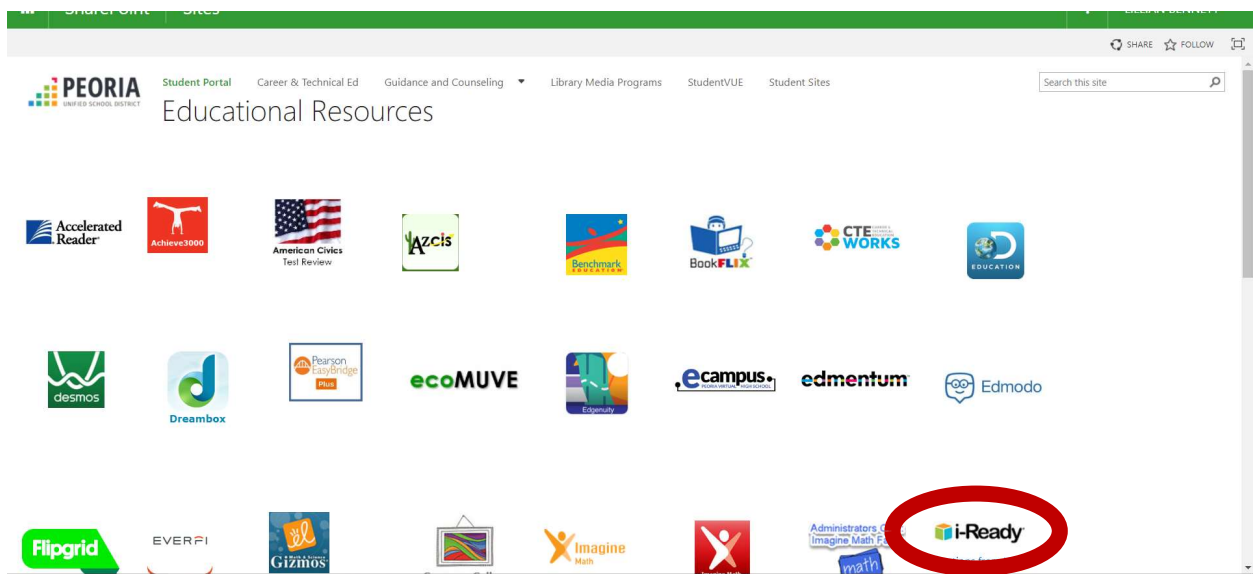

6. There are MANY resources available to students.

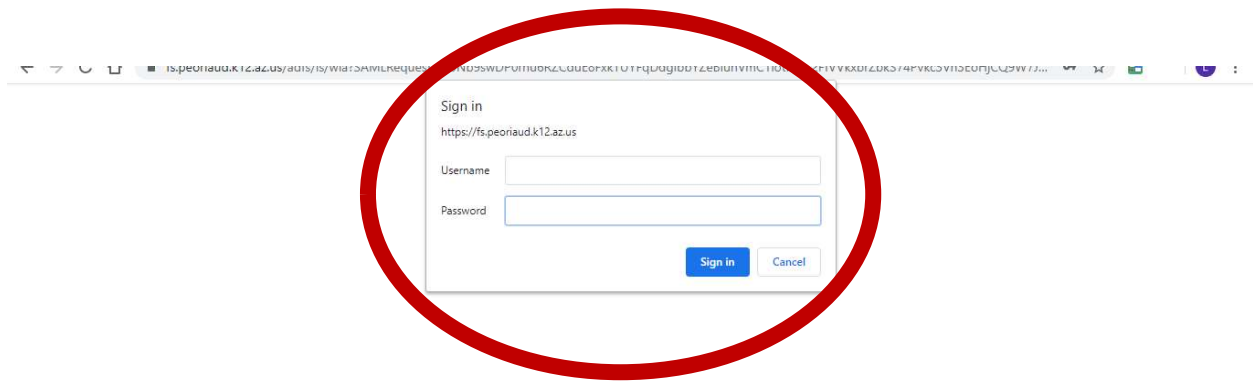

7. Scroll down to see the rest of the available resources.

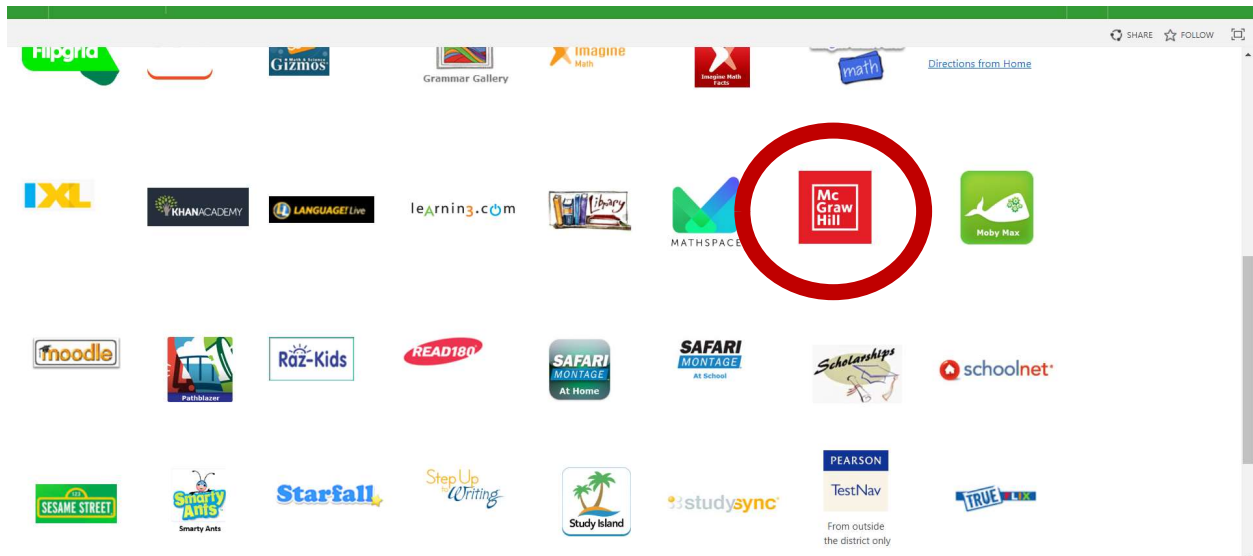

8. iReady

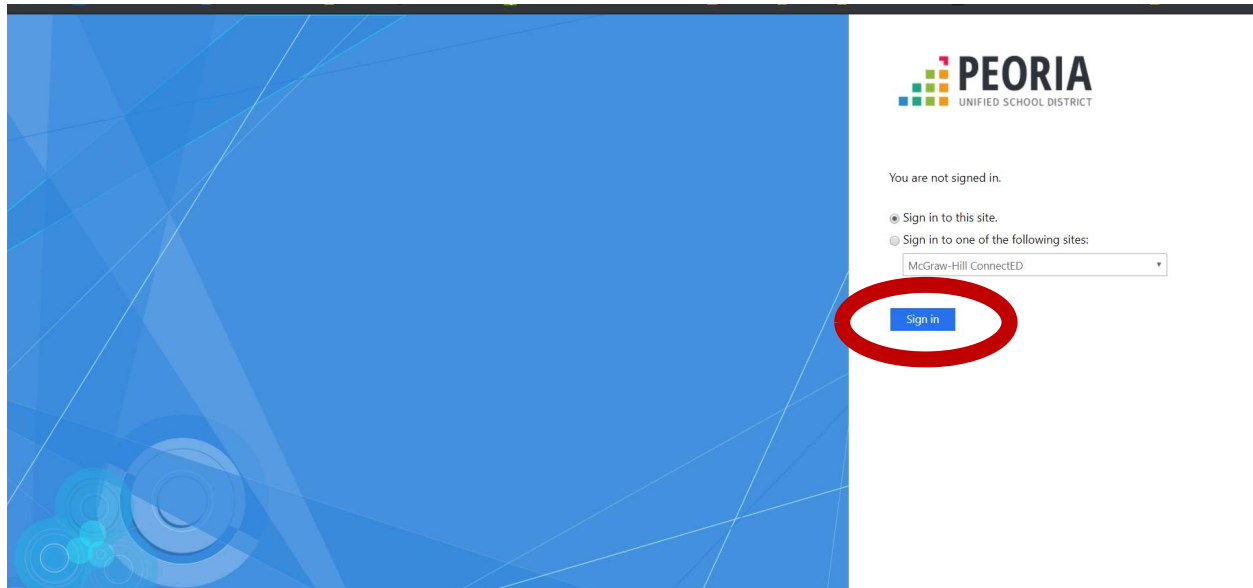

9. Use the username and password from the Student Portal to login to iReady

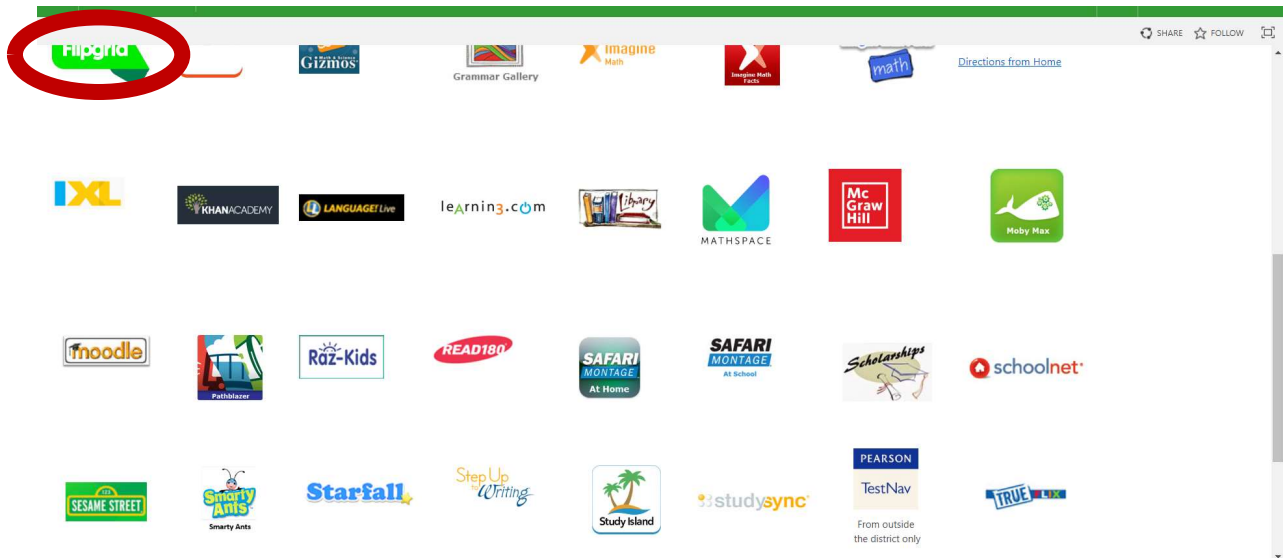

10. ALEKS (5th-8th math) is available under the “McGraw Hill” button

11. After clicking on “McGraw Hill”, click on “Sign In” and follow all prompts to get to your assigned ALEKS Math Class.

12. Flipgrid

13. To access “Teams” from the Student Portal, click on “Office 365”

Senior Exit Survey
Seniors, please complete the *Senior Exit Survey* one time prior to graduation. Answer thoughtfully and honestly. The information and feedback provided are important to Peoria Unified! Thank you!

Office 365 for Students
Peoria Unified provides online access to Microsoft Office 365. Students have the ability to use email, Word, Excel, PowerPoint and OneNote anywhere internet is available. Office 365 is also the place students can save and store their school files. Students do not have to have the Microsoft Office Suite on their personal device or computer to access Office 365. However, Office 365 allows each student to download a FREE copy of Microsoft Office on up to 5 personal devices. [Click here to get started.](#)
