

Accessing the Online Textbook

In order to access your online math text book, follow these steps:

Go to the Cactus High School webpage, then hover over the Students tab, and click on Student Portal.

Once you are in the Student Portal, click on the Educational Resources log on the right.

Scroll to the bottom of the list, and click on the logo for SchoolNet.

Look for the Resources box in the middle of the right hand side of the page.

Resources

Resources *will be moving* to the Student Portal under Educational Resources. They are listed alphabetically. **McGraw Hill** includes **K-8 Math**, **ALEKS**, **Study Sync**. High School Math is called HMH. Watch for these changes coming soon.

H.S. Math Textbook	ConnectED (K-8 Math and ELA resources)
Problem-Attic	MyMath Presentation Help
	District Assessment Plan

To get to your textbook, Click on H.S. Math Textbook in the resources box.

That should automatically log you in to your current class and show you any assignments your teacher has made!
